

The background of the title area is a digital-themed image. It shows a perspective view of a grid of blue squares on a dark blue surface, receding into the distance. Above the grid, there are glowing blue and white clouds, and a complex network of green and blue lines and nodes, resembling a circuit board or data network. The overall color palette is dominated by blues and greens, with a bright light source creating a lens flare effect in the center.

Team Name	Airline	Feedback%	Comment
Aer Lingus	Aer Lingus	100	Very enjoyable event and well organised. However the new format introduced in 2011 which started in LUX and combined the Men and Women event into one event may need to be reviewed as the numbers are getting smaller since it was introduced. Teams attending as follows: LUX - APR 2011 : Men - 9 : Women - 5. Two days of bowling. CPH - MAR 2012 : Men - 6 : Women - 4. Two days of bowling. HEL - MAR 2013 : Men - 5 : Women - 3. One day of bowling. It would seem that the objective of changing the format is not having the desired outcome and should be reviewed. The previous format was not experiencing these dwindling numbers. Paddy Kilduff, Secretary, Aer Lingus Tenpin Bowling Club
BA Bowlers Ladies Team	British Airways	100	The mix-up with the music/lights at the end of the bowling was a little bit weird, but apart from that it was all well organised and friendly. Good work!
BA Bowlers Mens Team	British Airways	81	The event was almost well done perfect so far possible. Minor failure at the bowling hall but repair asap.Competition was very close and no one knew who would be the winner before the last game
Finnair Ladies	Finnair	100	We hoped to get more ladies teams to our tournament,now just three,should be some more.
Finnair Team	Finnair	100	We had 5 teams in our tournament for men.Nice to see ICELANDAIR here in Vantaa(mixed team). Small problems in bowlinglanes,when all lights were switched off for a while. At our bankett we also celebrated St'Patricks' Day with our Irish guests. It would be nice to have also more teams here.Unfortunately ELAL cancelled little late.We hoped also to see LH and IB in our tournament as earlier.
ICEBOWL	Icelandair	100	Great tournament and very well organized by our friends with Finnair.
SAS Bowling MenTeam	SAS	100
